

DISCLAIMER

I hereby certify that there are no potentially hazardous materials, whether solid or liquid, contained in this load such as asbestos, asbestos related products or products deemed to be asbestos, chemicals, fuels, gas bottles or any other prohibited product.

If any unauthorised substances are found, I accept that Council may refuse to accept the load or impose an additional charge for depositing the load and cleaning up any contamination, if necessary, in accordance with the directions given by an authorised staff member of Council's Resource Recovery Centre.

I acknowledge that the presentation of this document signed by me to the depot attendant at the point of tipping of the load is a required condition of entry and that the contents of this document are warranted by me to be true.
